Global Alliance to Eliminate Lead Paint/Lead Paint Alliance
Advisory Council Meeting/Conference Call
Geneva, Thursday, 19 April 2018
13:00-15:00

Annotations to the provisional agenda

Item 1
Opening of the meeting
(a) Purpose of the meeting
(b) Overview of progress to date

The meeting will be opened by UN Environment and WHO as co-secretariats of the Lead Paint Alliance, to be followed by welcome remarks by the USEPA, Chair of the Lead Paint Alliance. The Chair will elaborate on the purpose of the meeting and will provide an overview of progress of the Lead Paint Alliance since the last Advisory Council meeting.

Item 2
Organizational Matters
(a) Adoption of the provisional agenda

The Lead Paint Alliance Advisory Council will adopt the agenda for the meeting on the basis of the provisional agenda.

Item 3
Review of overall progress in relation to the Lead Paint Alliance Action Plan 2017-2018 and links to the SAICM GEF project lead in paint component.
(a) Updates from Advisory Council Members

One of the functions of the Advisory Council is to report back on its activities in relation to the Lead Paint Alliance Action Plan 2017-2018. Advisory Council members will present for discussion their key activities, results and outcomes carried out within the previous year.

(b) Overview of lead paint component of SAICM GEF full-sized project

In July 2017, the Global Environment Facility approved a SAICM full-sized project with a lead paint component. UN Environment as coordinator of this project will present an overview of the lead in paint component of the project.

(c) Status of legislation/lead paint limits in “fast track” countries: Brazil, Cambodia, Jamaica, Ukraine, Moldova, and others.

Since the last Update of Global Status of Legislation on Lead Paint in September 2018, some countries have made progress drafting or improving their legislation on Lead Paint. Country representatives, UN Environment regional coordinators, IPEN and the USEPA will share information about the current status of draft legislation.
Item 4

Lead Paint Alliance communication and outreach

(a) Lead Paint Alliance brand identity guidelines on the use of the identifier

(b) Update on the Lead Paint Alliance website

The USEPA as Chair of the Alliance has contributed its expertise in developing the Lead Paint Alliance communication materials. The USEPA will present the guidelines on the use of the identifier that it developed in consultation with WHO and UN Environment. While UN Environment is host to the Lead Paint Alliance website, USEPA will demonstrate how to search and navigate for lead paint documents in the new un.environment.org website.

(c) Analysis of International Lead Poisoning Prevention Week (ILPPW) and planning for 2018

Since its inception of the annual ILPPW, WHO has been host to events registered by countries, civil society and industry. WHO will present an analysis of ILPPW events since its inception.

Item 5

Lead Paint Alliance Advisory Council operations

(a) Bi-annual meetings

The Advisory Council is expected to communicate regularly and meet via teleconference or face-to-face at least twice a year. Proposed dates of upcoming meetings are October 2018, February 2019, and September 2019.

(b) Updates on new Partners

WHO and UN Environment will report on new partners that have been officially accepted to the Lead Paint Alliance.

Item 6

Any other business

The Conference may wish to consider any other business raised during the meeting.

Item 7

Closure of the meeting

It is expected that the meeting will last for two hours and conclude at 15:00 Geneva time.
