

# Group Discussion Questions

- For Background: What **steps have already been taken** toward the elimination of lead paint through the development of lead paint laws in your country or sub-region?
  - Examples: Bangladesh - paint testing by NGO; Vietnam – recently joined the Lead Paint Alliance
- For Report-Out: What **opportunities for success and/or barriers**, if any, do you see and how do they affect progress toward establishment of lead paint laws in your country or sub-region?
  - Examples: Need to facilitate cooperation among relevant government ministries; Need to gain industry support for a law
- For Report-Out: What **next steps** toward the development of lead paint laws do you think your country or sub-region needs to take?
  - Laos: convene government agency or stakeholder meeting; Fiji: establish drafting committee
