Second meeting of the intersessional process considering the Strategic Approach and the sound management of chemicals and waste beyond 2020

Stockholm, Sweden, 13-15 March 2018

Stakeholders' input to the intersessional process on the Strategic Approach and the sound management of chemicals and waste beyond 2020

Stakeholder input to the intersessional process on the Strategic Approach and the sound management of chemicals and waste beyond 2020

1. Further to the first meeting of the intersessional process on the Strategic Approach and the sound management of chemicals and waste beyond 2020, all Strategic Approach stakeholders were invited to submit their input and suggestions to the intersessional process. The deadline for input was 7 July 2017.
 2. Input received has been considered in the development of the documentation prepared for the present meeting as appropriate and as relevant.
 3. The input received from stakeholders is available at:
